LTG Garden Rules:

The Linnaeus Garden is an outdoor venue more suitable for standing cocktail receptions and smaller intimate dinners than seated banquets or buffets. The Volunteer Center in the garden does provide some shelter in the event of inclement weather, but is not suited for, nor large enough to accommodate, seated dining.

1. **No early entry is possible for any reason.**

2. No Curfew Waiver past 11:00pm. **All events to end at 10:00pm** (1 hr clean-up from 10:00p-11:00p). (Due to close proximity of neighborhood homes.)

3. All chairs & tables must be rented. Smaller tables are recommended.
8 ft tables or 6 ft tables are allowed in designated areas for food/beverage service.

4. No decorations other than flowers or candles. (Usual candle rules apply.) No tents, hanging lights, and no open flame torches are allowed.

5. **NO** amplified music or DJ's allowed. Acoustic guitars, any string instruments or woodwinds, and keyboards are allowed. (Due to close proximity of neighborhood homes.)

6. Only butterfly or dove release is allowed. **NO** other items are allowed to be tossed in garden.

7. Parking must be contained to the LG and Learning Center lot, or Woodward Park lot. TGC and THS parking lots cannot be used.
8. All rentals must be picked-up the following business day.
9. No furniture, pots, plants, etc. may be moved in the garden.
10. Client and/or Caterer will be billed \$15/hr for any rules not followed, i.e. clean-up not finished, trash left, etc.
11. If client wishes a trained LG Volunteer to be present for tours or information: \$100 charge for 2 hours.
12. Client and caterer must sign Rules, and will be responsible for any damage. Damages to LG plants, structures will be billed to client at actual cost of repair & labor.
